

### **IN THE SPECIFICATION**

On page 49, please delete the entire paragraph and replace with the following:

The preferred embodiments of the compounds and methods of the present invention are intended to be illustrative and not limiting. Modifications and variations can be made by persons skilled in the art in light of the above teachings. It is also conceivable to one skilled in the art that the present invention can be used for other purposes. Therefore, it should be understood that changes may be made in the particular embodiments disclosed which are within the scope of what is described as defined by the appended claims.
